## Inter-School Virtual Science Fair and Talent Hunt (Srishti 2022) Conducted by Global Educational Mentors' Summit (GEMS 2022)

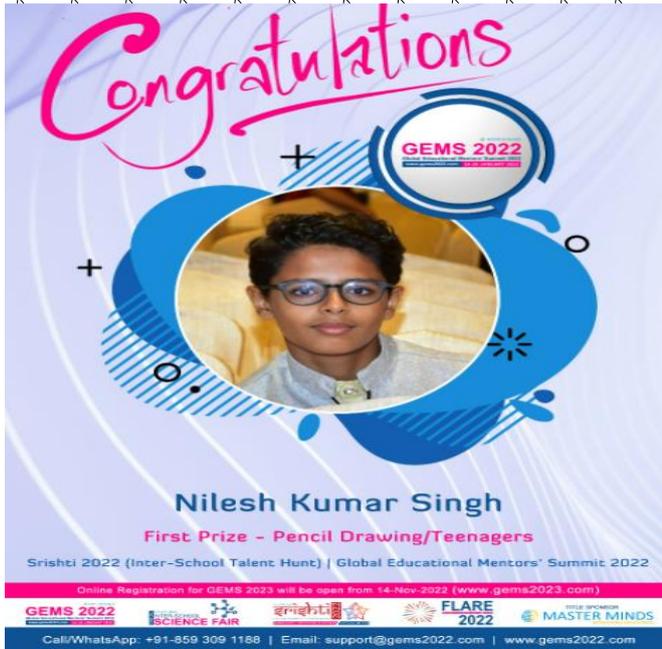

Inter-School Virtual Science Fair and Inter-School Virtual Talent Hunt (Srishti 2022) conducted by Global Educational Mentors' Summit (GEMS 2022) was conducted for the students of class VI- XII. 25 Students from Air Force School Jalahalli participated in multiple categories. Participants recorded their video (of their exhibit with demonstration) as per the guidelines and send the YouTube link of the same through online registration form. Last Date for Registration was on 22/01/2022. More than 1000 students from various schools all over India showcased the talent in this competition.

Yash Raj and team won first prize for their working model in Computer Science. Yash Raj (XC), Sidharth Singh (XB), Nilesh Kumar(X B), Pratham N(XA) and Ramchandra (XA) were included in the Team. Their project was WIFI Surveillance car which is an Arduino based project, which combines Bluetooth car and Ultrasonic sensor- radar to give real-time accurate surveillance of car's surroundings. This vehicle can be used

by the police to reduce crimes as well as anti-terrorism measures by locating bombs and Defence-border purposes. This vehicle is very effective to locate nearby objects at a range of 1m and also very mobile and move in harsh terrains. Materials used are: ARDUINO UNO, Motor driver shield I289N, Bluetooth module, Ultrasonic sensor, Gear motor, Jumper wires and Sun board sheet.

We secured many prizes for Talent hunt. Nilesh Kumar of X B won first prize in Talent Hunt for Pencil drawing under teenagers category. Anish Barik of VI A won first prize in Web page designing under Young teens category and Asin Ancil from VII A won third for Poster making under young teens. It was a great opportunity for students in Air Force School to participate in a great inter school event. Prizes will be distributed to children in their respective communicative address.

**Congratulations**
