EARTH DAY

Air Force School Jalahalli celebrated Earth Day with various activities and events across the West and the East campus. The celebration included a special assembly, co-curricular activities, Eco-Club events, and hands-on skill training sessions, all focused on promoting environmental awareness and sustainability. Students participated enthusiastically in the well-rounded program.

CCA INAUGURATION

The CCA (Co-Curricular Activities) Inauguration at Air Force School Jalahalli celebrated the school's commitment to holistic student development. The event featured a house-wise collage-making competition, underscoring the school's vision of empowering students through creative activities that foster personality development and patriotism. This annual event reflects the school's dedication to providing a well-rounded education.

GAMES LAB

Air Force School Jalahalli upgrades its facilities with a cutting-edge games lab, revolutionizing how we teach math and science. The lab is designed to foster curiosity and creativity. Students engage in hands-on experiences, developing essential skills in math and science. It's a space where curiosity is encouraged, and learning is a game." The games and activities are designed to be engaging, interactive, and age-appropriate for lower-grade students, making learning math and science a fun and exciting experience!

SUMMER CAMP

During the summer vacation, Air Force School Jalahalli organized a diverse range of activities for its students, including pottery, dance, yoga, basketball, football, taekwondo, arts and crafts, and many more. The camp aimed to foster the holistic development of students by providing opportunities to explore their interests and hone their skills across various domains. The well-rounded program was a resounding success, empowering students to grow as individuals.
